With reference to your letter No. G.20467/P.P.123-18-29 dated 13th March 1919, I have the honour to state as follows:-

(1) Import of wheat from the Punjab.

No applications having been received as yet for priority certificates for the import of wheat from Punjab, I have made special enquiries through the local officers whether any of the merchants at Davangere, Tiptur, Tumkur, Bangalore Mysore, Bowringpet and Kolar Gold Fields, wish to import any portion of this allotment. If none come forward, it may be desirable for the 300 tons to be imported direct from Government. I am consulting the merchants in Bangalore and Mysore as to whether any of them would be willing to undertake the export on behalf of the Government.

(2) Import of rice from Bengal.

Certificates for 350 tons have already been issued by me and endorsed by the Director of Civil Supplies, Bengal. Certificates for the balance which had also been issued by me have been returned unendorsed for want of full address xxxxxxxxxxx of the consignors. The information will be
